You will need to be an NSA sanctioned team with proof of insurance.

You will turn in your proof of insurance as well as a copy of your roster.

This is a 3 game format event. No Pool Play, no seeding, all games count.

Think of it as double elem after the first game. You can lose your first 2 games, drop into the losers bracket

but still win the tournament.

Which bracket do wish to be placed in?

New Elite Bracket - So you think you play with the top dogs.

Silver Bracket - dedicated teams but not quite there yet

Bronze Bracket - For beginner teams that love the game!
